PRESIDENT'S MESSAGE

I'm excited about leading our group this year and even more excited about working with all of you to ***Build Your Network With CAIP!***

Please check out the list of the activities we have tentatively planned. These dates/events may change but this is a great starting point. I wanted to give you all a snapshot of the year so that you can plan accordingly. We are planning some fun events and I would love to see you all there... and of course bring your friends.

I'm also including the list of committees for this year. I would love any and all suggestions, plans, ideas to make this the best year ever! It takes a village!

Can't wait to see all of you at our August Event!

Kelly Bailey, President
