## President's Message

So another term is closing—we have accomplished a great deal this 16-17 year. We've had some good times and some times that involved a little struggle but we have remained strong and continued to move forward.

I want to thank each one of you for your dedication to CAIP and for your support. It has been my honor to serve as your President and I look forward to serving in any way needed in the future with CAIP/IAIP.

Remember this is YOUR association and YOU can make it be whatever YOU choose—but you do need to be involved—in a little way or a big way—but BE INVOLVED.

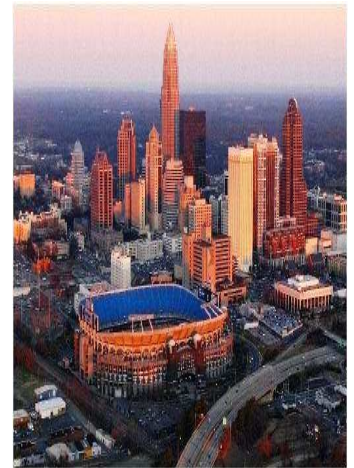

I wish your incoming board the best of luck—let's be

busy, involved in our community and association. Let's think out of the box, let's do new things, have more fun and enjoy each other more than ever!

Let's show everyone who we are and what we are capable of—let's be known in our community as the individuals with the biggest hearts—with the most concern and love for our communities! Let's do more, be more and show more in 17-18!

Geraldine Plott

President, 2016-2017

## PROGRAMS

Last Month, I listed all the things we tried to do this past year to make our monthly meetings fun and possibly bring more people to our meetings so they can see what we're all about. We tried a bowling event which to be honest really worked the first year we did it but then just sort of diminished the next times we tried....What I learned is don't do the same event back to back... Our Tour of UNCC's Risk Management Program got rave reviews but only about 8 people attended.... What I learned is it may have been better to bring Faith Neal to us and have her tell us about her program. Our best event appears to have been the Brewery Tour. What I learned is: if we can combine food, adult beverages and a chance to learn something about a popular business here in Charlotte, we can stir up some interest.

We have a new year starting. I think we need programs that don't make anyone drive too far, can educate and entertain and is not too expensive....have any ideas? If yes, let me or Kelly Baily know...We really want to hear from you and we want this to be something you look forward to attending....I know there's something out there....

Sharyn Clark

## EMPLOYMENT

Thank you to all that supplied "open positions" for our website and members. I hope it assisted a member in finding a better employment opportunity.

I look forward to working with you again next term!

## WAY & MEANS/FINANCE COMMITTEE

Our Golf Tournament at Olde Sycamore was a great hit. We raised enough funds to support our scholarships for next term.

Thank you to all that helped!
