President's Message

The year is speeding by—
it's almost the holidays.
Leaves are beginning to turn
and the weather is cooling. So
much to do with so little time

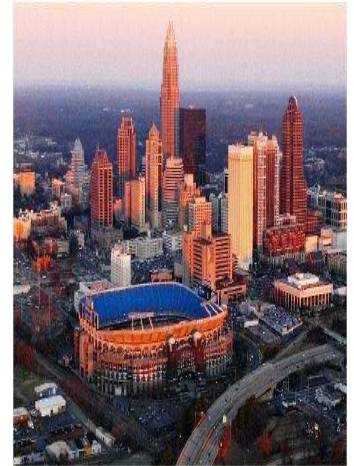

Please take time to enjoy
your family and friends during
this very hectic time of the
year.

*The holiest of all holidays are
those
Kept by ourselves in silence
and apart;
The secret anniversaries of the
heart,
When the full river of feeling
overflows;--
The happy days unclouded to
their close;
The sudden joys that out of
darkness start
As flames from ashes; swift
desires that dart*

*Like swallows singing
down each wind that blows!
White as the gleam of a re-
ceding sail,
White as a cloud that floats
and fades in air,
White as the whitest lily on
a stream,
These tender memories are;
--a fairy tale
Of some enchanted land we
know not where,
But lovely as a landscape in
a dream.*

PROGRAMS

Many of you are familiar with our scholarship program for App State Students but for years, CAIP has also given scholarships to students in the Risk Management and Insurance Program (RM&I) of the Belk College of Business at the University of North Carolina at Charlotte. Their purpose is to produce current and important research covering all aspects of risk management and insurance and to create and promote opportunities for internships, employment and other interaction between practitioners and students.

On Tuesday, October 4th, we're invited to meet with one of the professors at the college, Dr. Faith Neale and listen to her presentation about the program and the importance of this program to our industry. Following the meeting we'll all meet at O 'Charley's for dinner.

Don't forget that our November meeting will be at Wine & Design for another opportunity to paint and enjoy the fellowship of our group. Hope you'll bring a friend too!
